#### **Outpatient kidney dialysis**

Kidney disease is one of the most common "urban diseases". It requires fast, efficient care and typically involves ongoing dialysis treatment. Supplementary major medical benefit

Apart from outpatient kidney dialysis coverage, the Flexi Plan (SMM) includes **an extra cover of HK\$150,000 in the form of a supplementary major medical benefit**, subject to annual limit of HK\$1,000,000 and no lifetime benefit limit. In case of serious Disability in which medical expenses exceed the individual benefit limits, the supplementary major medical benefit covers the remaining expenses in a Standard Ward (a room in a Hospital with more than double occupancy).

Remarks:

I. Supplementary major medical benefit is restricted to Eligible Expenses and expenses incurred during confinement in a Standard Ward (a room in a Hospital with more than double occupancy) only.

#### Cigna VHIS Series - Flexi Plan (Superior): Iris's story

Policy Holder	Iris
Age	50 (non-smoker)
Background	Iris decided it was time to jump out of her comfort zone and start her own business at the Age of 50. But at mid-life, she was concerned that her decision meant leaving her employer's group medical plan, which she's benefited from for many years. To replace it, she wanted a plan that offered full medical cover, because she would need to devote all her energies to her business, and she didn't want to worry about limits and exclusions.
Plan level	Cigna VHIS Series – Flexi Plan (Superior)
Accommodation Room Type	Semi-Private Room
Deductible	HK\$O

#### At Age 50

Iris signed up for the Flexi Plan (Superior) at the Age of 50.

#### Iris had breast cancer at Age 53

Iris was diagnosed with breast cancer at the age of 53. Every aspect of her treatment was covered by her plan and carried out by top professionals without delay. The timely and high-quality procedures, including diagnostic imaging processes, a series of cancer treatments and breast-reconstruction following mastectomy, made Iris's recovery go well.

#### After recovery

Iris's new business was not compromised. After treatments and suitable rest, Iris was once again able to pick up the reins of her business and forge ahead towards achieving her business goals.

Remarks:

\*The premium level is subject to change from time to time due to medical inflation.

## **Important Information**

The product information included in the brochure does not contain the full terms of the Policy and the full terms can be found in the Policy document.

#### **Cooling-off right and Policy Cancellation**

You may cancel your policy and obtain a refund of any premium(s) and levy paid by you within the coolingoff period. The cooling-off period is the period of 30 calendar days immediately following either the day of delivery of the policy or the cooling-off notice to you or your nominated representative (whichever is the earlier). The cooling-off notice is a notice that will be sent to you or your nominated representative by Cigna Worldwide General Insurance Company Limited to notify you of the cooling-off period around the time the policy is delivered. To exercise this right, a written notice of cancellation must be signed by you and received directly by Cigna Worldwide General Insurance Company Limited at I6/F, 348 Kwun Tong Road, Kwun Tong, Kowloon, Hong Kong within the cooling-off period. No refund can be made if a claim has been made.

After the cooling-off period, the Policy Holder can request cancellation of the policy by giving thirty (30) days prior written notice to the Company, provided that there has been no benefit payment under the policy during the relevant Policy Year.

#### **Claims Procedure**

To make a claim, please login to our customer portal or register at <u>www.mycigna.com.hk</u> or download our MyCigna HK app. For details of procedures by claims type, please visit the Company website <u>www.cigna.com.</u> <u>hk/en/customer-service/insurance-claim-procedure</u>.

#### **Reasonable and Customary**

Reasonable and Customary shall mean, in relation to a charge for Medical Service, such level which does not exceed the general range of charges being charged by the relevant service providers in the locality where the charge is incurred for similar treatment, services or supplies to individuals with similar conditions, e.g. of the same sex and similar Age, for a similar Disability, as reasonably determined by the Company in utmost good faith. The Reasonable and Customary charges shall not in any event exceed the actual charges incurred.

In determining whether a charge is Reasonable and Customary, the Company shall make reference to the followings (if applicable)-

- (a) treatment or service fee statistics and surveys in the insurance or medical industry;
- (b) internal or industry claim statistics;
- (c) gazette published by the Government; and/or
- (d) other pertinent source of reference in the locality where the treatments, services or supplies are provided.

#### **Medically Necessary**

Medically Necessary shall mean the need to have medical service for the purpose of investigating or treating the relevant Disability in accordance with the generally accepted standards of medical practice and such medical service must –

- (a) require the expertise of, or be referred by, a Registered Medical Practitioner;
- (b) be consistent with the diagnosis and necessary for the investigation and treatment of the Disability;
- (c) be rendered in accordance with standards of good and prudent medical practice, and not be rendered primarily for the convenience or the comfort of the Insured Person, his family, caretaker or the attending Registered Medical Practitioner;
- (d) be rendered in the setting that is most appropriate in the circumstances and in accordance with the generally accepted standards of medical practice for the medical services; and
- (e) be furnished at the most appropriate level which, in the prudent professional judgment of the attending Registered Medical Practitioner, can be safely and effectively provided to the Insured Person.

#### **Pre-existing Conditions**

Pre-existing Condition means any Sickness, Disease, Injury, physical, mental or medical condition or physiological degradation, including congenital condition, that has existed prior to the Policy Issuance Date or the Policy Effective Date, whichever is the earlier. You are considered to be aware of a Preexisting Condition where –

- (a) it has been diagnosed;
- (b) it has manifested clear and distinct signs or symptoms; or
- (c) medical advice or treatment has been sought, recommended or received.

If you are requested but fail to disclose to us upon submission of the insurance application, including any updates of and changes to the required information, that the Insured Person is suffering from a Pre-existing Condition of which the Policy Holder or the Insured Person is aware or should have reasonably been aware of at the time of submission of Application, the Company has the right to declare the relevant insurance policy void, demand repayment of any benefits paid and/or refuse to provide coverage under its terms and benefits. In such event, the Company shall refund the premium.

#### Premium

#### I. Premium Level

The premium corresponding to the plan you select is determined based on the Age and smoking habit of the Insured Person at the Policy Effective Date.

#### 2. Non-payment of Premium

If you fail to pay the initial premium, your Policy will not take effect from the commencement date of your Policy. Except for the initial premium payment, there will be a grace period of 30 days after any premium due date. Your Policy will remain effective during this grace period. If any premium is not paid at the end of the grace period, your Policy will lapse on the premium due date and you will lose the insurance cover.

We will not make any claim payment or any other payment payable under the Policy, until we receive payment of all outstanding premium up to the date of the claim payment or when the Policy terminates.

#### 3. Mis-statement of Age or Smoking Habit

If Age or smoking habit is mis-stated by you or any Insured Person (and the relevant Insured Person would still be eligible for coverage), we have the right to adjust the premiums payable based on the correct information.

#### 4. Premium adjustment

The Company reserves the right to revise the Standard Premium of the Policy on the anniversary date or upon renewal. Factors leading to premium adjustment may include but are not limited to our overall experience in claims and expenses incurred by and/or in relation to this product.

#### **Duplicated policy**

Each person can only be covered under one single "Cigna VHIS Series" policy. The series includes "Cigna VHIS Series – Standard Plan", "Cigna VHIS Series – Flexi Plan(SMM)", "Cigna VHIS Series – Flexi Plan (Superior)" and any other insurance policies that fall under the "Cigna VHIS Series" as defined and issued by the Company from time to time.

Existing holders of "Cigna HealthFirst Medical Plan Series" policies should contact the Company to discuss their options with regard to policy migration.

#### **Conversion of policy**

If you have an existing medical insurance policy and intend to switch the coverage to this plan, please be aware of the potential implications in terms of insurability, claims eligibility and financial values regarding the change to the insurance arrangement.

Some benefits under the existing policy may be changed or not be covered under this plan due to changes in policy features, Age, health conditions, occupation, lifestyle, habit or recreational activities. Also, riders or supplementary benefits under your existing insurance policy may not be available under this plan.

Benefits under the existing insurance policy will no longer be payable to you if you surrender the policy or allow it to lapse. Besides, you may need to start a new waiting period (if any) in respect of certain benefits under the terms and conditions of the new policy.

#### Renewal

This Policy shall be effective for an initial period of twelve (I2) months and is thereafter guaranteed to be automatically renewable for successive periods of twelve (I2) months up to the Age of one hundred (IOO) years of the Insured Person. The Company shall have the right to revise the Terms and Benefits of the Policy and/or the Premium upon each renewal.

#### **Termination**

- I. The Policy will be automatically terminated when one of the following happens:
  - The Insured Person passes away;
  - Any premium is not paid at the end of the grace period;
  - The Policy is terminated or not renewed by the Policy Holder; or
  - The Company has ceased to have the requisite authorization under the Insurance Ordinance to write or continue to write this Policy.
- 2. If there is any fraud, mis-statement or concealment in the application or declaration, or if you or your beneficiary makes a dishonest claim, we have the right to cancel the policy immediately. In such case, all the premium paid will not be returned and you shall immediately return all payment including claims paid by us under the Policy.

#### **Inflation risk**

Your current planned benefit may not be sufficient to meet your future needs since the future cost of living may become higher than they are today due to inflation. Where the actual rate of inflation is higher than expected, you may receive less in real terms even if we meet all of our contractual obligations.

## **Key Exclusions**

The following list is for reference only and it is not a full list of exclusions. Please refer to the Terms and Conditions for the complete list and details of exclusions.
